GF Villa Grande is please to offer a variety of gluten free options. We are not a gluten-free restaurant and cannot ensure that cross contamination will never occur. We have processes in place to minimize that happening, but there is a great deal of gluten in the air and on our work surfaces. If you are a Celiac and/or highly sensitive please advise the person taking your order and know that we will do our best but cannot guarantee your order will not touch gluten somewhere in the process.
